PERSONAL: Growing up in the Chicago area, I was first exposed to hypnosis at age 12 when I bought a "Be A Better Student" self help tape. I moved to Tucson in 1989. In addition to hypnosis, I also had an extremely successful career in broadcast sales and have managed sales departments for all the major broadcast networks. Combine this with owning a retail business and I have the experience, ability and comfort of working with corporate CEO's, the general public and the widest of personality types.

ENTERTAINMENT: I have earned a "Doctorate in Laughter"! Stage hypnosis provides comedy. Volunteers become more relaxed, yet feel more energetic than they have felt in years. Under hypnosis volunteers will never do anything against their religious, moral or ethical beliefs. I have performed at state and county fairs, theme parks, grad nights, corporate events, charities, hotels, nightclubs, resorts, casinos and private parties. While my show merits being the main attraction, it can also be the perfect opening or closing act. My promo video can be viewed at www.HypnoJoeUSA.com and on my Facebook page.
